ABOUT US

M/s. Raja Rajeshwari Food Processors, a privately held proprietary business established on August 19, 2020, offers a broad selection of products in several categories like pulses, flours & rava's, dry fruits & nuts, cereals, sugar, millets and spices. The business currently produces and packages food goods under the "WISMARK" trademark.

We source raw materials from every region of India, and the processing plant of the company which is located in Thukkguda Hyderabad, has a monthly capacity of 100 MT's for all items. Not only are we adaptive, but we also have a comprehensive understanding of the processed food sector and what it takes to provide the finest service possible to our clients.

The company focuses its efforts on providing the finest quality on all products at prices that are fiercely competitive and that also abide by the scheduled delivery date. We are fully aware of what our customers require. We are committed to going above and beyond what our customers expect of us, and we achieve this by prioritizing a dependable supply chain and innovative ideas.

OUR PROCESS

On arrival of raw material our quality team ensures to check the quality in accordance with the FSSAI standards.
